

## Tennis Program Policies & Tuition Information

Dear Students and Parents,

In order to maintain an organized training environment and provide high-quality instruction, the following tennis program policies and tuition guidelines will take effect starting January 1, 2026.

### 1. Attendance Policy

Students are expected to arrive on time for all scheduled lessons.

Late arrivals without prior notice will not receive extended lesson time, as this may affect subsequent sessions.

If a student is unable to attend a lesson, please notify the coach at least 24 hours in advance so that scheduling adjustments may be considered.

For group classes, courts and coaching schedules must be arranged in advance. Therefore, make-up classes are generally not provided without prior notice.

If a lesson is canceled due to coach availability, weather conditions, court issues, or other unavoidable circumstances, a make-up class will be arranged to ensure students receive their training time.

### 2. Tuition Payment Policy

Tuition must be paid before the start of the next training cycle.

For monthly payment students, if payment is more than 1 week overdue, a \$20 late fee will be applied.

For pay-per-lesson students, payment must be completed before each lesson begins. Otherwise, the lesson reservation may be canceled until payment is received.

### 3. Schedule Changes or Withdrawal

If you need to change or discontinue your current training schedule, please notify the coach at least 1 month in advance so that proper scheduling adjustments can be made.

### 4. Group Lesson Tuition

Group lessons are charged monthly based on weekly attendance frequency. If a month contains more than 4 weeks, the additional classes will be included at no extra charge.

### 6. Trial Lessons

Trial lessons may be arranged when scheduling permits.

Trial lesson fees follow the single lesson rate.

### 7. Communication

All official notices and communications must be made in writing, including text message, WeChat, or email.

### Important Notice

#### Health Information

Adult students and the parents/guardians of minor students are requested to inform the coach of any relevant physical or psychological conditions so that training activities can be arranged safely.

Does the student have any medical condition that may limit participation in intense physical activity?

☐ No

☐ Yes

If yes, please explain:

## Training Video Notice

During training sessions, the coach may record short instructional video clips for training analysis and coaching improvement (internal use only).

If this involves the student's image or privacy rights, please indicate your preference:

☐ Agree

☐ Do Not Agree

## 8. Weather Policy

Outdoor tennis lessons may occasionally be affected by weather conditions such as rain, lightning, extreme heat, or unsafe court conditions.

If a lesson must be canceled due to weather or unsafe playing conditions, the coach will notify students as early as possible.

Canceled lessons due to weather may be:

- Rescheduled as a make-up lesson, or
- Credited toward a future lesson, depending on scheduling availability.

For safety reasons, the coach reserves the final decision regarding weather-related cancellations.

## 9. Make-Up Lesson Policy

Make-up lessons are offered only when prior notice has been given according to the attendance policy.

For group classes:

- Make-up lessons are not guaranteed, as they depend on available space in other sessions.
- If a make-up lesson is available, the coach will arrange it at a mutually convenient time.

Missed lessons without 24-hour prior notice are generally not eligible for make-up.

## 10. Liability Waiver

Participation in tennis training involves physical activity and inherent risks, including but not limited to falls, collisions, and other injuries.

By enrolling in the tennis program, the student (or parent/guardian of a minor student) acknowledges these risks and agrees to participate voluntarily.

The student and/or parent/guardian agrees to release and hold harmless the coach and training organization from any liability for injuries, accidents, or damages that may occur during training sessions, except in cases of gross negligence.

Students are responsible for ensuring they are physically able to participate in sports activities.
